

# BIBLE STUDY

## STARTING IN SEPTEMBER

### **Bible Study on the Book of Acts**

“Genesis to Revelation Bible Study Series”

By [James E. Sargent](#)

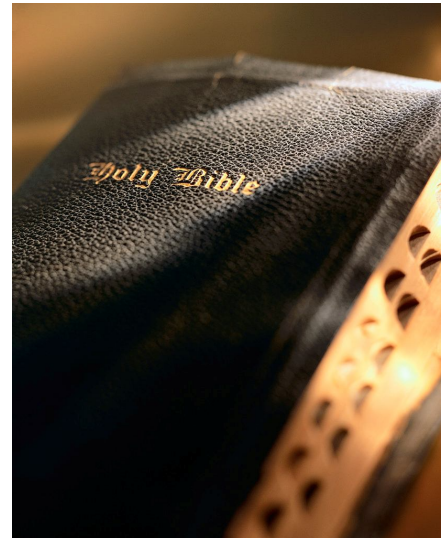

Acts is a unique book in the Scripture. It is really volume 2 of Luke’s work and tells the story of the beginning of the church. Luke reports a series of episodes in the life and faith of the early church to show how Christianity rose out of Judaism and has deep roots in Jewish faith.

This comprehensive study of the book of Acts is based on the New International Version Bible and covers the 28 chapters using a three-dimensional approach to enhance your understanding and appreciation of the text you are studying by learning about:

- Ancient customs
- Important places
- Meaning of words

The study book helps students answer the question, "What does the Bible say?" This study invites participants to connect the meaning of the Scripture with their own lives.

This class is open to all. There are no prerequisites for participating in this study. If you have never participated in a Bible study before, this is your invitation to join us now!
